ADDITIONAL ORDERING & SHIPPING INFORMATION

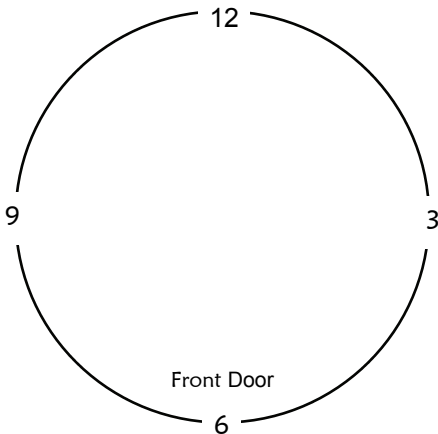

If you filled out the other side of this sheet, we know what size yurt you want, what kind of door(s) you want, how many windows you want, and many other decisions you've made. Now, please complete the four items below.

1. FABRIC CHOICES:

WALL FABRIC (Circle fabric type and indicate color)		
COLOR: TUFFSTAR	COLOR: PROSTAR	COLOR: PROTECH
ROOF FABRIC (Circle fabric type and indicate color)		
PRO-STRUCTURE COLOR:	DURO-LAST COLOR:	
STANDARD VALANCE COLOR:	DURO-LAST VALANCE COLOR:	

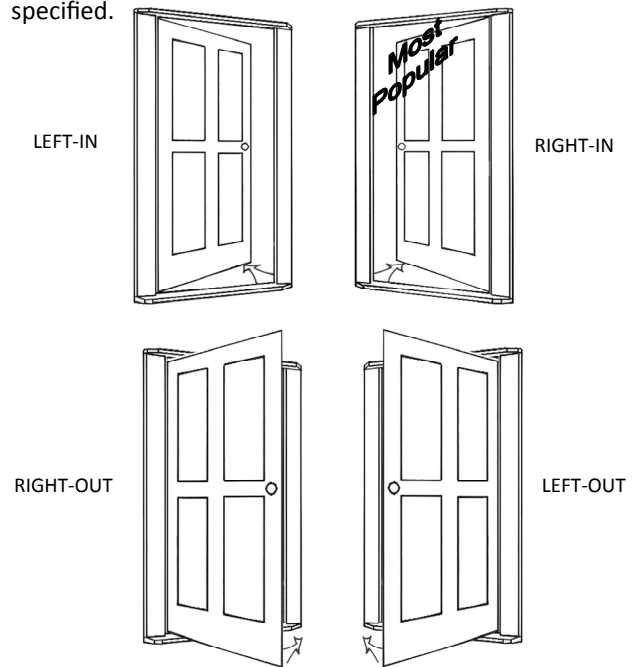

2. PLACEMENT OF WINDOWS AND DOORS

Place your windows and any additional doors you ordered on the clock face. Your front door is shown at 6:00 (if you have a second door, we highly recommend, that it be placed at 12:00).

3. THE WAY YOU WANT YOUR DOOR(S) TO OPEN

Doors usually open "right-hand, in" unless otherwise specified.

DOORS AS SEEN FROM OUTSIDE THE YURT.

4. THE DIAMETER OF YOUR STOVEPIPE OUTLET

STANDARD 9" DIA.	CUSTOM SIZE: _____
------------------	--------------------

- When we receive your order, we'll send a receipt with the details of your order. It'll include an approx. ship date and the balance due.
- Included with your receipt will be a yurt pitching guide and your warranty.
- When your order is nearing completion, we'll contact you to finalize your pickup or delivery plans.

Approximate shipping weights—to help you with planning. We can provide freight estimates, but cannot guarantee freight costs.
